Dear LocoNoco Hiring Manager

I am looking to work in a fun, challenging, dynamic environment. After I found the Full Stack Web Developer position on Indeed, I visited the LocoNoco Homepage. I have a passion for Software Developer and I would like to work with an awesome team of people

I have 3 years experience with Javascript, PHP, Python, and HTML, CSS. I believe that my 3-year experience with full stack engineer can make me a valuable asset to LocoNoco.

I also have a lot Knowledge of AWS and Unix command line I have a capacity to acquire new skills and frequently learn new technology. I love all programming languages and new technologies. So I have a strong passion for work. (Swift, MySQL, Node.js, React Native ... etc)

Why would I want to work with LocoNoco?

- I have an Experience with implementing UI designs using JS, JQuery, CSS and HTML
- I have a Strong understanding of computer science fundamentals, algorithms, database models, data structures, and design patterns

Sincerely,

Ryosuke Hujisawa
