Dear Engineers and Geoscientists BC Hiring Manager

I am looking to work in a fun, challenging, dynamic environment. After I found the Intermediate Front-End Developer position on Indeed, I visited the Engineers and Geoscientists BC Homepage. I have a passion for web development and I Would like to work with an awesome team of people

I have 3 years experience with Javascript, PHP, Python, and HTML, CSS. I believe that my 3-year experience with engineer can make me a valuable asset to Engineers and Geoscientists BC.

I also have a lot Knowledge of ShellScript and Unix command line I have a capacity to acquire new skills and frequently learn new technology. I love all programming languages and new technologies. So I have a strong passion for work. (Swift, MySQL, Node.js ... etc)

Why would I want to work with Engineers and Geoscientists BC Inc?

- I will eagerly collaborate with Engineers and Geoscientists BC members, no matter the project or department.
- I can contribute to Engineers and Geoscientists BC with Javascript ,PHP, Python,

Sincerely,
