

RYOSUKE HUIJISAWA

FOR DOMAIN7

July 05, 2018

Front-End Developer

Dear Hiring domain 7 Manager

Nice to meet you. My name is Ryosuke Hujisawa. I want to apply strongly to Domain7 Front-End Developer (Wordpress) position.

After I found this position on Indeed, I visited Homepage at "domain7.mytribehr.com". I watched wonderful information dissemination of blogs and podcasts on domain7 Saito I would like to work with people with enthusiasm with domain 7.

I have the ability to maintain and implement WordPress environment. I have a deep knowledge of WordPress. I like to develop and modify those amazing CMS. Actually, I completed a side project on WordPress(<http://wesound.love/>) used PHP and JavaScript. I can contribute to your WordPress project.

I visited GitHub and wiki in domain 7. making efforts to make the environment smooth for engineers to communicate and to create an environment for the team to make excellent results. I strongly want to be a member of domain7 team.

This time I apply Front-End Developer (Wordpress) position, but I have a lot of passion about programming. Someday, I would like to be a full stack engineer with all languages, environment, OS, DB.

Sincerely,
