Dear FreshWorks Studio Hiring Manager

I am looking to work in a fun, challenging, dynamic environment. After I found the Junior Full Stack Engineer position on Indeed, I visited the FreshWorks Studio Homepage. I have a passion for full stack development and I would like to work with an awesome team of people

I have 3 years experience with Javascript, PHP, Python, and HTML, CSS. I believe that my 3-year experience with full stack engineer can make me a valuable asset to FreshWorks Studio.

I also have a lot Knowledge of AWS and Unix command line I have a capacity to acquire new skills and frequently learn new technology. I love all programming languages and new technologies. So I have a strong passion for work. (Swift, MySQL, Node.js, React Native ... etc)

Why would I want to work with FreshWorks Studio?

・I am Experienced with JS frameworks like Angular or React.

・I have an Experience with implementing UI designs using JS, JQuery, CSS and HTML

・I have a Strong understanding of computer science fundamentals, algorithms, database models, data structures, and design patterns

Sincerely,
